

Dear Hiring Manager

I am writing to apply for the DevOps Engineer role at CloudNova Technologies. I am motivated and detail-oriented, and I believe my background in Computer Science graduate with internship exposure to Linux administration and CI/CD workflows. makes me a good fit.

I have experience with Python, AWS, Docker, GitHub Actions, Linux, Bash and I am interested in growing in this opportunity. I have also worked on Built a containerized CI/CD pipeline demo using Docker, GitHub Actions, and AWS EC2. and I am confident I can support your team.

Thank you for considering my application. I look forward to hearing from you.

Sincerely
Anita Rao
