

Dear Hiring Manager

I am writing to apply for the VLSI Design Engineer role at SiliconVista Labs. I am motivated and detail-oriented, and I believe my background in ECE graduate with project exposure to digital design and physical design tools. makes me a good fit.

I have experience with Verilog, Linux, ICC, STA basics, digital electronics, physical design flow and I am interested in growing in this opportunity. I have also worked on Designed a low-power arithmetic logic unit and studied physical design flow concepts using academic tool exposure. and I am confident I can support your team.

Thank you for considering my application. I look forward to hearing from you.

Sincerely
Rahul Sharma
